5 TIPS TO MAKE YOUR DEER MOUNT LOOK GREAT

1. If you must cape out a deer yourself, Please DO NOT cut its throat.
2. Make 3 cuts:
 - One around each of its knees;
 - One around its belly and back;
 - One from each knee - on the outside or back of the knee to the cut around its back.
3. DO NOT cut the white hide between its front legs.
4. Pull the skin up to the throat and cut the head off. Leave skin, head and antlers intact. Place all in a plastic bag.
5. Bring it to us. We'll make sure you're glad you did.
